FULL CHARTER (12-15 GUESTS)

- ✦ Private use of the entire resort for your group in our seven waterfront bungalows. This means that we can cater the entire stay from arrival to departure to your group's schedule and personal diving and snorkeling interests.
- ✦ A minimum 11 paying guests is required to book the resort for private use. FOC policy is 10+1.
- ✦ Custom packages/itineraries are available for full charters, please contact us for details.
- ✦ We recommend maximum 12 divers, 15 snorkellers, or combination divers/snorkellers in a full charter as the 2 speedboats are suitable for 6 guest divers or 8 guest snorkelers plus guides each.

HALF CHARTER (6-8 GUESTS)

- ✦ Use of up to 4 waterfront bungalows.
- ✦ Private use of one of our speedboats. 2 guides will be assigned to your group and will look after you throughout your entire stay. Site choices and dive schedule are made daily by your guides based on your group's personal interests.
- ✦ We recommend maximum 6 divers in a half charter as speedboats are suitable for 6 guest divers or 8 guest snorkelers plus guides.

OCCUPANCY RATES

All Resort Packages are priced per person so that each guest can choose the package type that best suits their personal interests no matter if they visit the resort alone, with a buddy or in a group.

DOUBLE OCCUPANCY

All seven waterfront bungalows are designed for double occupancy. Four of the waterfront bungalows have 1 king bed, and the other three have 1 king + 1 single bed so they can be used for twin share or triple occupancy if traveling with children.

SINGLE OCCUPANCY

Although designed for double occupancy, guest bungalows can also be booked as single occupancy. We can cater to up to 2 guests on single occupancy per day and this is given on a first-to-book, first-serve basis. If both single occupancy spaces are already filled in the resort during a given day, any additional guests wishing to book on single occupancy basis will be subject to a single supplement charge of USD \$150 per night.

TRIPLE OCCUPANCY

The resort's waterfront rooms configured with 1 king + 1 single bed can be booked as triple occupancy, but only in the case that the third guest is a child sharing. The minimum age recommended at the resort is 12 years. For triple occupancy family rates, there is a USD \$100 per night reduction.
